

Introduction

Welcome to our consultation on the Carlton Masterplan Framework. This series of consultation panels sets out the principles of the framework to make sure the site is properly planned.

The Barnsley Local Plan was adopted in January 2019 and required that a number of site allocations were supported by Masterplan Frameworks to inform any future planning applications. The Carlton Masterplan Framework should be read in conjunction with the adopted Local Plan and the Supplementary Planning Documents.

Sites MU2 and MU3 of the Barnsley Local Plan designate mixed use development to the south and east of Carlton for much needed housing and facilities for the borough.

The Masterplan Framework will need to be approved by Full Council prior to the approval of subsequent planning applications. Thanks for taking the time to read these boards. The consultation will close at 5pm on Wednesday 28 July, we would like to hear your feedback on the draft proposals to shape the final Masterplan Framework.
